For information only, this contains an unredacted and unclassified copy of the National Employment Information System (NEIS) System (www.bls.gov) as of 12/31/2010. The data is for the period 12/31/2010.

Project	Amount	Period
Project 1	1000000	1990-1991
Project 2	2000000	1991-1992
Project 3	3000000	1992-1993
Project 4	4000000	1993-1994
Project 5	5000000	1994-1995
Project 6	6000000	1995-1996
Project 7	7000000	1996-1997
Project 8	8000000	1997-1998
Project 9	9000000	1998-1999
Project 10	10000000	1999-2000

[illegible]

Fieldwork—conducted in the field, confirmation that the system within the world is how the world actually exists. Theories, developed and modified, are subjected to inspection, evaluation, verification (proof of correctness), and the laws of discovery are followed. *Example*—the study of the world of the blind.

There are further reports of human rights violations with respect to drug control policies against ethnic minorities in the border regions of Myanmar. The report will be presented to Congress and the public in the coming weeks.
